

Simplicity meets quality

ELEMENTAL BY TIMBERLINE

Timberline

*Not every project needs
a fully custom vanity.
Some just need a good one.*

Elemental is Timberline's entry-level range. Stripped back to what matters and built the same way everything else is in our factory. Choose between **Elemental** (door and drawer) or **Elemental Plus** (all-drawer). Fewer choices, faster decisions, 5 business day dispatch. That's it.

No compromises on construction.
No surprises on delivery.

SUPER CRATE PACKAGING

Every vanity is packaged in a MDF crate, engineered to take a beating in transit.

5 BUSINESS DAYS DISPATCH

Out the door in five business days. Fast enough for the job, built for the long haul.

TONGUE AND GROOVE CABINET CONSTRUCTION

The same method used across the full Timberline range - supports 740kg!

ALPHA CERAMIC INTEGRATED TOP

Durable, heat resistant and easy to clean. A classic for good reason.

PREMIUM BEVELLED EDGE FINGERPULL

The kind of detail that makes a vanity feel expensive.

SOFT CLOSE DRAWERS

Because no one likes the sound of slamming drawers.

5-YEAR WARRANTY. REAL PEOPLE BEHIND IT.

If something goes wrong, there's a team ready to help.

100% AUSTRALIAN MADE CABINETS

A reliable product from a reliable source.

Timberline

The Elemental range is available in Fingerpull with right-hand drawers (where applicable) and an Alpha Ceramic top with 1 taphole.

Each cabinet comes with a 200mm high detachable kick for floorstanding application.

This collection cannot be customised in any way.
